We will be holding a Remembrance Day ceremony on Wednesday 11th November. It will be a moment of dignified reflection and the first leadership opportunity for our new student leaders.

As Term 4 flies by it's almost time to start preparing for HeadStart during weeks 8 & 9 of Term. From around week 7 students will be required to clean out their lockers to prepare for the move to a new home room at the beginning of HeadStart. There will be key days when each year level is set to move and students' attendance on these days will be important to ensure their belongings are safe and ready for them for HeadStart.

Please keep your eye on COMPASS and our social media pages for notifications and updates as we make our way through this busy time of the year.
